

## EX NAVODAYAN FOUNDATION

### Month in Review

- **JEE Main Success:** Nearly 1,850 ENF students appeared for JEE Main-1.
- **Board Exam Support:** Sample papers were distributed to help students prepare effectively.
- **Incentives for Excellence:** Students scoring above 90% in our tests received a ₹500 reward to encourage academic achievement.
- **CoE Selection Test:** Conducted for CoE Pune to enroll students in NEET preparation classes.
- **Future Planning:** Post-board, online students will transition to focused in-person classes at JNV, with planning underway.
- **Republic Day Celebrations:** Marked with enthusiasm across all ENF centers, including HQ.

### Celebrating Unity & Patriotism: ENF Team on Republic Day

## Strengthening Outreach: Strategies, Collaboration & Expansions

- Meeting with **DBSE** Director to strategize for JEE/NEET 2025 exam preparations at ASOSE centers.
- **TPDDL** meeting at the Delhi center to plan the new academic session for "Lakshya" classes.

CSR Engagement: Miss Rajnandini from the **HDFC Credila** CSR Team visited CoE, JNV Ranchi, where she engaged with students and shared valuable insights.

In addition to our existing CoEs focused on empowering girls, we are expanding with:

- CoE Gaighat, Patna
- CoE Muzaffarpur, Bihar

## Empowering Futures: Well-being, Guidance & Academics

Stress Management Session by Dr. Laxman Ji Yadav, a Counseling Psychologist, to help students manage stress during board and competitive exam preparations.

Career Guidance Session for class 10th to guide students in selecting the right academic stream and exploring their future opportunities.

Interaction with students to inform them about our special classes supported by TPDDL and introduce our new test series

## Success Story

### Jyoti Kumari – From ENF to IIT Bombay

Jyoti Kumari, an ENF student who passed in 2022, hails from a small village in East Champaran, Bihar. Coming from a humble background, she overcame many challenges to secure a place at IIT Bombay.

Recently, Jyoti was invited to **Tata Motors** Headquarters, where she met the CSR team and global leaders of TML. During her visit, she shared her journey to IIT Bombay and highlighted the support she received from TML's CSR initiatives.

Her story is a testament to perseverance and mentorship. She shared the challenges she faced during her preparation amidst the COVID pandemic:

*"Despite the tough situation, ENF always stood with me. Regular online classes, WhatsApp doubt clearing, and weekly tests kept me on track. After COVID, offline classes resumed smoothly. There were moments when I felt like giving up, but the ENF teachers never let me lose hope, and I performed well. Thank you so much to them. I hope this program continues to support middle-class students like me in the future"*

***"Thank you for being part of our journey to make education accessible and impactful. Together, we can achieve more!"***
